Effective learners

Education must develop children and young people who can learn, not only when they are being taught. At preschool and school and throughout their lives, learners need to develop the skills to be effective learners so that they can make the most of future opportunities and respond to changes in their worlds.

Curiosity

Learners ask questions to 'get to the bottom of it' and are less accepting of received wisdom until it is evidenced.

Creativity

Learners think 'outside the box', take chances, use imagination and intuition and are receptive to hunches and inklings.

Meaning making

Learners make connections between past information and/or experiences and new knowledge.

Strategic awareness

Learners know what to do when they don't know what to do.

Metacognition and self-regulation

Learners who can stop and think about what's needed to best achieve the task in front of them. Learners are able to understand and manage their behaviour and reactions to their environment.

LEARNER AGENCY

At Braeview School, we empower learners to be active participants in their education. We encourage every student to take ownership of their learning journey, nurturing curiosity, independence, and voice in a supportive environment. Our students develop the confidence and skills to shape their present and future, contributing meaningfully to their community.

WELLBEING

We are dedicated to creating an inclusive, respectful, and caring community where every individual feels safe, valued, and supported. Our commitment to equity ensures that every learner has access to the opportunities and resources they need to succeed. Wellbeing is at the heart of our practices, laying the foundation for positive relationships and lifelong learning, so it needs to be flexible, meaningful, and consistent enough for future issues.

EXCELLENCE AND EQUITY

Braeview School strives for outstanding achievement in all that we do. High-quality teaching, innovative approaches, and collaborative partnerships drive continual growth and improvement. We set high expectations and provide the support needed for all students to reach their full potential, celebrating success and fostering a culture of aspiration.
